

HEAVY EQUIPMENT STUDENT SCHOLARSHIPS!

As a Partner in Education Toromont Cat is pleased to award students with a scholarship upon admission to one of our sponsored College Programs. With over twenty thousand dollars designated for scholarships Toromont Cat is paving the way to a rewarding career as a Technician.

If you enjoy hands on work, problem solving, and new experiences, the Heavy Equipment Program is for you! Become a highly specialized expert in electronically controlled engines, advanced technology, computer-based diagnostics, state-of-the-art hydraulics and transmissions.

Scholarships of \$2,000 will be awarded to successful applicants; \$1,000 towards 1st semester tuition then upon successful completion of semester 1, \$1,000 will be awarded to the remainder of the program.

Enter for your chance to be a Think Big Scholarship recipient, you must complete the Think Big Application and scan it back to me via email. Once we have reviewed your application, we will let you know if your application has been accepted.
