TOROMONT

WHEN THE PAVING SEASON BEGINS, YOU AND YOUR CREW NEED TO BE PREPARED.

That's why Toromont brings in a seasoned Caterpillar expert to review the fundamentals. Whether you've been paving for 2 years or 20 years, you're sure to learn something new.

- ✔ Maintain your competitive edge in this increasingly competitive environment
- ✔ Learn state-of-the-art techniques that can be implemented immediately
- ✔ Encourage teamwork by enrolling entire crews in the training
- ✔ Improve job quality in this environment of ever-stringent quality standards
- ✔ Improve crews' ability to meet smoothness and density specifications
- ✔ Help crews meet tighter paving requirements to earn coveted incentives

This two-day classroom course is being held on February 19-20, 2019 and February 21-22, 2019 in Concord, ON.
